Miss Mitchell

Your copy of the Panther,
Compliments of the Editor.

Dear Miss Mitchell,

It seems strange to call you anything but Miss Mitchell, so if you will excuse me just this once I will.

It seems even stranger that I should be leaving Hillcrest. I hope you know what the old school has meant to me. This may sound a little too much like the graduate, but I truly feel this way. It was not so much the school, I guess, but the teachers, yourself being one of the outstanding, that have meant so very much to me. You are friends that I will never forget. There have been few teachers in my life that I have really loved, you also join this rank. In short, what I'm trying to say is that I will never forget. what you mean to me, and I hope that you will always be aware of my deep love for you.

So much for that, now to our class. I'm pretty proud and I'm sure that you would be too, of the

job that the class has done this year. There have been few mistakes and many successes,

Have you heard that Albert was going to study the ministry, we are all proud of him.

Johnnie and Charles (Jerome+LaRue) have both won scholarships to S.M.U., and I won one too. because of being Valedictorian.

Both teams of the debaters won first place in the state and brought back the trophies for the second year. Charles won 2nd (in the State) in extemp.

Dorothy Diers won the same scholarship that John Morrow did last year from the Republic Bank.

That about covers everything except that I was awfully proud of winning the Outstanding Senior Cup, I guess that was the greatest honor of the year.

Johnnie and I are mighty proud of the annuals. Write and tell us how you like it.

Well, I don't know whether ~~or not~~ but
you expected it or not but Nancy
and I are still "going strong". She
is on ~~top~~ of the world and sends
her deepest love along with mine.

Miss Bellows and Miss Gilmore
and all the rest are all fine and
said to tell you hello.

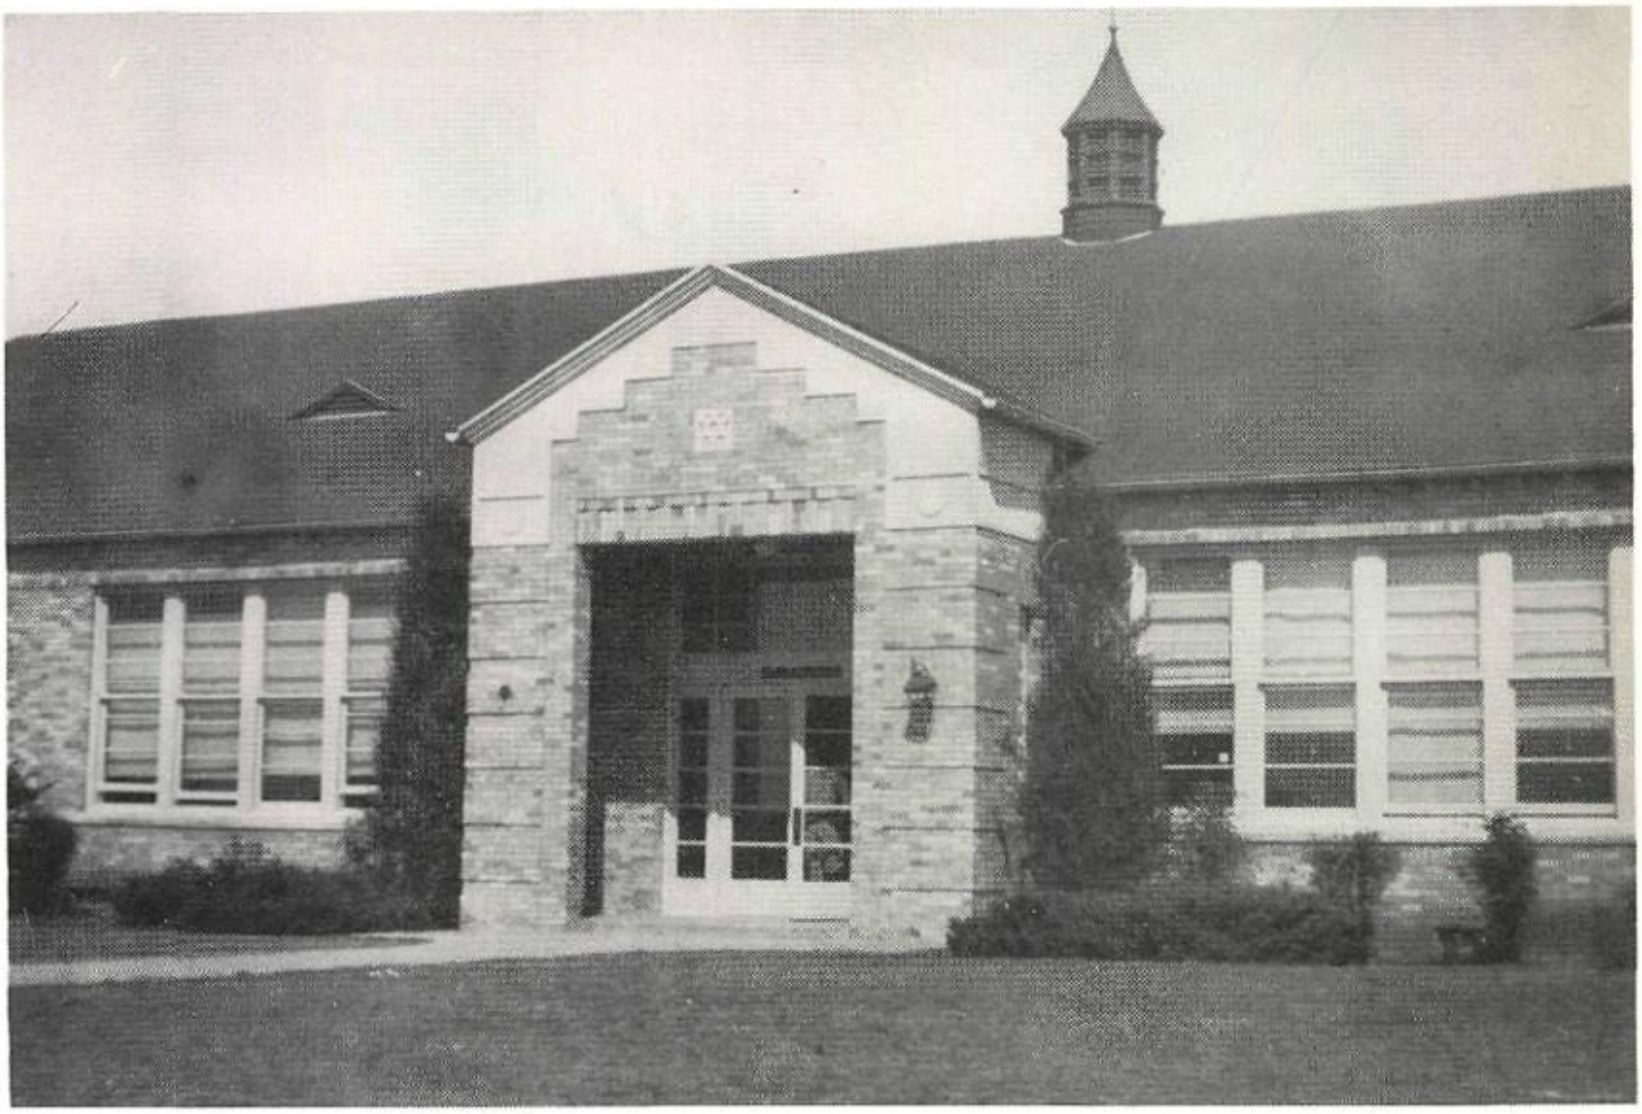
Honestly, what do you think of
our dedication? Write and tell
me will you! Personally I'm
awfully proud of it.

I've got to go to bed. It's late
and I have to register for
summer school at S.M.U. tomorrow.

Write me, please, I'm sorry
I have neglected you so. You
will alway be a dear and cherished
friend. My deepest love, forever,

Bill

FOREWORD



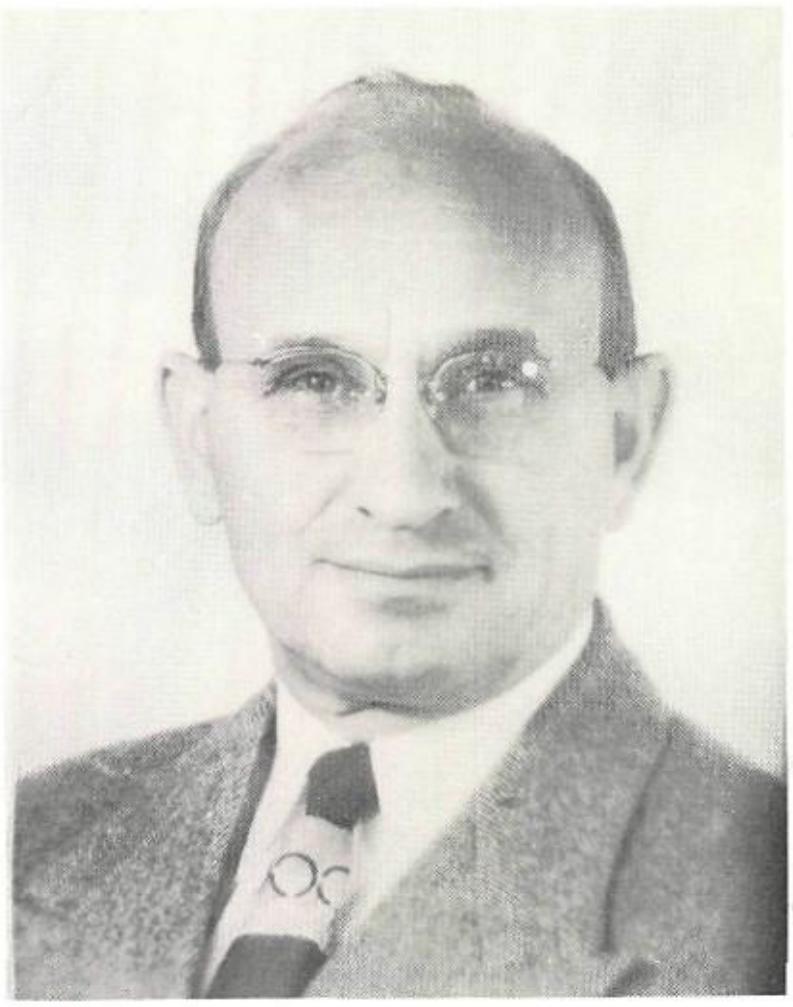
Hillcrest High School

Pride and pleasant memories go into these pages. Pride in a school whose spirit is unequaled and pleasant memories of a year so quickly passed, yet so well remembered.

May this book ever keep alive the thoughts of hours well spent and friends well won.

The Panther Staff

DEDICATION



Mr. S. Stanley Knapp

The Panther Staff proudly dedicates this book to a man who, though a comparative newcomer, has heartily assisted us in planting the banners of Hillcrest on a new high ground. He is patient with our shortcomings, but prods us to efforts far beyond our natural inclinations. He encourages every phase of school activity, but will not let us forget that good work in our classrooms is of first importance. Though he is busy with the affairs of the school, he has become the friend of all his students. He has no favorites among us but gives equally to each of us his best counsel. He is an able administrator and a fair minded disciplinarian and an energetic leader.

This chronicle of our school's history for the year 1949 is dedicated to our Principal, Mr. S. Stanley Knapp, to whom we are indebted for his part in our high school education and for giving us a vision of the good years yet to come.

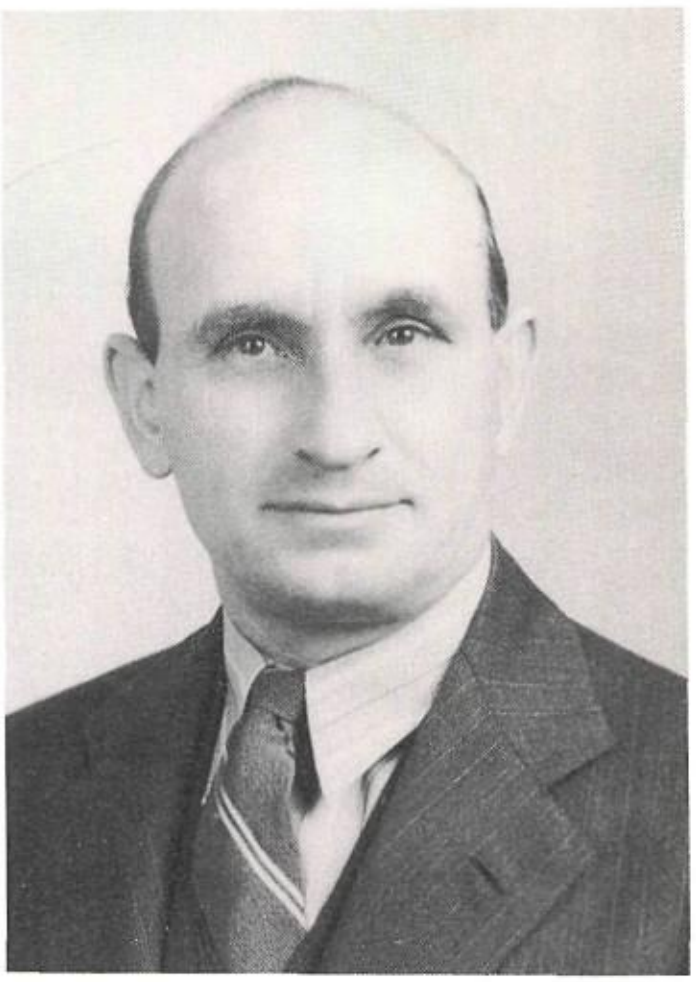
PRINCIPAL'S MESSAGE



S. Stanley Knapp
Principal

Mrs. Dallas Blankenship
Secretary

The poet has aptly said, "Build Thee more stately mansions" and this admonition is a worthy consideration for all youth who are now graduating from high school. From this point on you must become more and more the builder. The Community, the State, the Nation, and the World will watch the building which you erect upon the foundation which you have laid. We who have watched your work for the past few years are sending you forth with our best wishes for your attainment of life's highest goals.

Senior English Examination
Classical Course

1. All questions must be answered in forty minutes.

2. Divide your paper into chapters of twenty pages each for convenience.

3. Prefix a table of contents.

4. You are on your honor.

I. Why did Shakespeare write "The Wealth of Nations"?

Shakespeare was a good writer, but he was short of cash. He wrote "'The Wealth of Nations" so he could talk about money without owning any. He was a nice man, but his razor was dull and he wore funny collars. Shakespeare was not much of a writer, but he wrote "Confessions of an English Opium Consumer" with variations. I would like to read his works better if he had not written anything.

II. What is Milton's "Ode to the Cockoo"?

I don't know, but I do know about calcium sulphate. It is so hard that it makes the water hard and it has to be pulverized to make it soft. It is formed by the action of aluminum acid molybdate and zymase cyanid. It is found in nature, but not much and it is valuable as a bleaching agent, producing a brilliant red color. It absorbs air and water, but it will not explode unless heated.

III. Discuss the main tendencies of the Victorian Age.

The first big tendency of the Victorian Age was the use of shredded wheat in England; this caused consternation among the leisure classes. The second was the discovery of chewing gum, typical of the progress of science. The third is the marked use of rubber heels. This is inexplicable.

IV. What is your opinion of Byron?

Acting upon the advice of my counsel, I refuse to answer and maintain a discreet silence.

V. Did Tennyson die before or after his marriage?

Yes, I guess so. But I like the turquoise shades much better especially this season.

VI. What was the date of the nineteenth Centennial?

100 years after the 18th Centennial.

VII. Are you a communist?

Is this a questionnaire? If so, no. If not so, yes.

VIII. What did Keats do for the world?

He died prematurely.

IX. What is your ambition in life?

My ambition in life is to be as smart as Albert McHenry and as athletic as Charles La Rue and as handsome as Leon Boettcher and as tall as Charles Hoff, and as rich as everything. Aside from that, I have no especial preferences or desires; in fact, I lack ambition.

THE STARTING ELEVEN

Linemen

Ted Bywaters--A consistent player, Ted was always doing his best
46, L48 for the team
Left End

Ralph McCann--Bozo ranked football second in his life. First? Why
L48 fried pies of course.
Right End

Mitchell Carter --"Mitch's" love for laps and wind sprints highlighted
46, L48 his football career.
Left Tackle

Joe Whitney--Although "Smokey" loved football he nearly always
46,47,L48 managed to miss school once or twice a week.
Right Tackle

Jack Granning--Even though he was injured several times it was never
46,47,L48 so serious that after a rest and a drink of water he
All-District was ready to go.
Left Guard

Harold Duncan--If "O.B." improves as he did in the '48 he should
46,47,L48 be a cinch for All-District honors in '49
Right Guard

Walter Staton--"Sam's" tackling and his fine work while on offense
45,46,47,L48 was one of the highlights of each game.
All-District'48
Co-Captain
Center

Backfield

Bob Manner--An expert at deception Bob will be back in '49 to hold
46,47,L48 down the signal calling slot.
Quarterback

Gilbert Kelley--The only letterman on the '48 team. Gil kept the
46,L47,48 left half position in tact throughout the season.
Co-Captain
Left Half

Harvey Turner--Although he weighed only 135 lbs. Harvey was a
L48 menace every time he tucked the pigskin under his arm.
Fullback

J. R. Simons--J. R. was the hardest working man on the eleven in '48
47,L48 and should be one of the mainstays of the team next
Right Half season.

RESERVES

Johnnie Jerome--Johnnie didn't get to work much on offense except
46,47,L48 punting, but he played first-string defense all the time.
Left Half He loved to tackle the big boys low and watch 'em fall.
David Lynn--David was not able to demonstrate his pass snatching
46,47,L48 ability due to an early season injury.
Left End
David Short--No matter how tough the going, Short always managed
46,L48 a word of encouragement.
Right Tackle
Albert McHenry--Fritz was the fastest lineman on the team and was
45,46,47,L48 always in there scrapping.
Right Guard
Gene Hooper--Gene should be another scatback to worry the opposition
47, L48 in '49
Fullback
Edgar Ray--Although the boys were always shouting at him, "X-Ray"
L48 always managed to stay asleep or play basketball.

TRACK TEAM

GAME TIME

Panther Claws

Sept. 10-Showing their lack of experience the Hillcrest Panthers battled the North Dallas "A" Reserves to a 12-12 deadlock.

Sept. 17-With the reserves playing most of the game the Panthers rolled up an easy 31-0 victory over a ~~weak~~ Crozier Tech "B" team. But what about the "A" team? Scared of 'em?

Sept. 24-A vastly improved Hillcrest eleven trampled a good Highland Park "B" team 20-6 on the Hillcrest field.

Oct. 1-Frequent penalties and bad breaks marked a 6-0 upset victory registered by the Buckner Hornets over the Panthers. Ha-Ha

Oct. 15-A heavier Hillcrest eleven chalked up a stinging 8-0 defeat over the luckless Garland Owls.

Oct. 22-A hard charging Mesquite team turned back a surprised Hillcrest aggregation 27-6 for the Panthers first conference loss. That'll learn ya, dern ya. First, but not the last.

Oct. 29-Journeying to Pleasant Grove the Panthers were startled by a last half rout which ended with the Bobcats on the winning end of a 27-0. Pussy team, that's all.

Nov. 5-A fired up Hillcrest eleven held the scrappy Carrolton Lions scoreless while they rolled up two T. D's to win 12-0.

Nov. 19-The district champs showed the Panther eleven some fancy running as they trounced the Home Team 43-13. Ahhhhh ——

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 1949 Annuals for more than 1100 Colleges and High Schools in seventeen States.
